General Comments

The Quality Assurance Monitor is on site for a monitoring inspection.
Ratio was respected.

The Quality Assurance Monitor verified:
-Posted in a visible and prominent place in the facility
-Indoor play area materials and equipment

While on site the Quality Assurance Monitor observed children playing indoors. In one room children were coloring and playing with blocks, the educator was also doing bubbles for children. In the other room, children were engaged in crafts. Children had paper, glue, crayons, and scissors at a table, and were doing different crafts according to their interest.

Quality Assurance Monitor entered new staff into the system.
