Order for Compliance	Regulation	Date to be corrected	Date corrected
11 The qualifications and training requirements for administrators and educators are as follows: (b) educators must have successfully completed the Introduction to Early Childhood Education course or hold an Early Childhood Education Certificate.	11(b)	Aug 28, 2024	
Comments: One educator only holds the 30-hour course (Curriculum). All educators must complete the Introduction to ECE course or hold an ECE certificate (or equivalent). The educator in question must be enrolled in the 60-hour course. The administrator may send a copy of the educator's enrollment to the course to the Quality Assurance Monitor via email, to confirm compliance.			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Aug 21, 2024	Aug 21, 2024
Comments: In one classroom, the key to a storage room containing toxic products such as shaving cream was in the doorknob. With that, the shaving cream was accessible to children. The key was immediately removed, and the door was locked. Deficiency is now compliant			

<p><b>General Comments</b></p> <p>The Quality Assurance Monitor is on site for a monitoring inspection. The followings elements were verified:</p> <ul style="list-style-type: none"> <li>- Child-to-staff ratio</li> <li>- Indoor material and equipment</li> <li>- diaper changing area</li> <li>- If all required documents are posted in a visible and prominent place in the facility</li> <li>- Storage space for toxic products, chemical products and cleaning supplies</li> </ul> <p>Ratio is respected during the visit.</p> <p>The Quality Assurance Monitor had a discussion with the administrator regarding designation requirements. The administrator informs the QAM that educators have completed their 10 hours of professional learning, the parent committee members are having meetings, and the quality improvement plan is up to date.</p>
