Visit to the facility in the afternoon to complete the renewal inspection.							
Children spent time outdoors and later came in for snack time and free play.							
Inspector discussed with the Administrator to clarify that the directors and/or administrators, including the Boards of non-profit organizations, must have a criminal record check or vulnerable sector check. A Social Development check is also required if they have contact with children or are responsible for finances as part of their role. The vulnerable sector check must be completed for those people that have contact with children at the facility. The administrator confirmed that that this will be sent to our office once received.
