General Comments
<p>The Quality Assurance in on site for the renewal inspection. The ratio was respected during the inspection.</p> <p>The Quality Assurance Monitor observed the children walking to the centennial parc to play as there was no school for professional development. The children were also observed eating their lunch, playing a trivia game and playing in the indoor play area (ball hockey, card games, reading books and doing small beads that you iron after). Positive interaction was observed between the educators and the children.</p>
