General Comments
<p>On the day of my visit things seemed to be running smoothly. The children's attendance was low for the day so the extra educators were busying prepping their rooms and cleaning materials.</p> <p>There were a wide range of activities happening in each room from free play, Olympics themed play, sticker fun day. The toddlers were outside playing.</p> <p>There is evidence of planned activities and documentation on the walls in the hallways. The educators were engaged with the children and positive guidance was heard as I toured the center.</p>
