General Comments
<p>Children were in the outdoor play space during majority of the visit. Staff were engaged with the children and the educators communicated with each other advising of when they were taking children inside for bathroom breaks by how many they were taking and how many children were being left the other educators.</p> <p>Children were given time frames when transitioning from activity to the next.</p> <p>The facility is clean and organized.</p> <p>There is evidence of planning and documentation were throughout the facility.</p>
