General Comments
<p>Children were involved in free play activities when licencing staff arrived. Children prepared for snack time. Proper procedures were followed. After snack time the children were able to decorate the Christmas Tree. Once the tree was decorated the children had story time before leaving for the day. There is a variety of age-appropriate materials for the children to use. The operator offers a welcoming environment and interacts with the children in a caring manner. The operator is skilled in redirection and gentle reminders and distraction, and she quickly meets the needs of the children. Everything seemed to be running smoothly on the day of the visit. I recommend for licensing.</p>
