General Comments
<p>The indoor space is organized and there are a variety of materials for the children to learn and explore with. The operator engages with the children during play and promotes conversation during the various activities. The children are given choices on what activities they want to do.</p> <p>Transitions from one activity to another are smooth as the operator gives the children ample notice and sets the alarm on "Alexa".</p> <p>During the visit I was able to observe circle time, in which the children sang a song, and read a story, snack time and free play activities.</p> <p>Please remember fire drills need to be completed on a monthly basis.</p>
