General Comments
<p>The school age centre has a grade K-2 room, as well as a grade 3-6 room. The rooms are set up with a variety of developmentally appropriate learning centres and materials for each age group.</p> <p>Children arrived from school and were playing in the wooded area with the educators. children are playing games, making forts, picking up nature materials and exploring nature. Administrator stated that a lot of creative play takes place in the woods.</p> <p>Pre-written program is being completed. Children are being exposed to a variety and activities and materials.</p> <p>Licensing staff was able to access and verify all documentation for licensing. Filing system is complete and meticulous.</p>
