General Comments

Monitoring visit performed. No compliances today.
Covid protocols are being followed and staff are masking and children 2-5 in the common areas.
Administrative records were reviewed including staff vaccination status. Fire drills documented, outdoor checklist completed, potential illness forms and all in order.
In regards to Prevention and Control of Communicable Disease guidelines - please share document with educators - Appendix 39 in the Operator manual. Some staff were asking about when a Return After Exclusion form must be completed.
Menu today - Tacos and milk. Yummy lunch. Food served appropriate for the ages and cut up for younger babies. I would also recommend slicing up taco - easier for toddlers to eat as finger food.
Many children observed going for a walk this AM. The outdoor play space is quite icy. This would be a good day to go outdoors and break up the ice to help it melt before the temperature drops again.
Appropriate child guidance observed and educators were observed helping with eating, toileting, getting dressed and with programing.
Attendance documentation - Please ensure you begin a new attendance record when more than 10 children/ sheet..
children are content and enjoying their day with their friends.
