General Comments
<p>On the day of my visit the centre was functioning very well. The 2's and 3's were playing outdoors when I arrived and the outdoor play area looks really inviting. The children have painted the fence walls, and Monica installed animal hooks for their masks. Monica showed me their private Facebook and the pictures of the snowman families that the children made the day after the storm.</p> <p>There are numerous examples of the Emergent Curriculum and the staff are meeting all their training requirements. Monica screened me upon entry and all Covid protocols are being followed correctly.</p> <p>Everything is clean and organized and the atmosphere is happy and cheerful. Good work everyone!</p>
