The educator and children were also observed getting dressed to meet the second bus at 3:30. a total of 12 children attended afterschool program today.</p> <p>As soon as children enter the facility, all children wash their hands. The educator also asked who wanted a snack and only a couple of children wanted to eat a snack shortly after they arrived. The other group of children had a variety of free choice of activities. The educator had centres set up - creative arts area, bracelet making station that included elastics or beads and string, a reading corner, soccer table game, marker and chalk table. Children were observed making beaded bracelets and necklaces, playing the soccer game, drawing and coloring pictures, and playing with the gravity maze game.</p> <p>Administrative records were reviewed and all in order - attendance, outdoor checklist, no illnesses to report. Licensing staff observed the fire extinguisher is due for servicing in April as a reminder.</p> <p>The educator shows a genuine interest in all the children. She engages with them and asks them questions and is attentive to things happening with school and other activities.</p>
