Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

On the day of my visit school was cancelled and the children were at the program all day. Gibson-Neill's group also uses this centre on PD days and now that we are in the Yellow Phase the 5 children at this licence combined with the children from Gibson-Neill in Group A. The children went for a walk to Malloy Park to play and they created sidewalk chalk. They use the classrooms upstairs and there are lots of material for a variety of play. The combined groups have a new log and all protocols for Covid are being followed. A child hurt her wrist on the monkey bars and it appears to be bruised. The wrist was iced, the parents were called and an incident report completed. The child appears fine now. The program was very busy but organized.
