### General Comments

On the day of my visit the program was active and engaged. Each group had more staff than needed which provides the opportunity for more one on one interactions. Each week has a theme and this week 's was "Going Back in Time", so 80's, 60's, 50's, Medieval and Dino's, so each day has activities to correspond to a time period. Staff need to take extra toys outside for outdoor play, as the toys need to be accessible for the children's use.

The building has a smell which may need to addressed by additional cleaning. Please not substitutions on the snack menu in the kitchen.
