

Early Learning and Childcare Facility Inspection Report

Type of Inspection: Renewal Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

Fredericton Boys and Girls Club Inc. Facility Name Henry Park Recreation Centre After School Program Henry Park Recreation Centre After School Program Address 248 Mediay Street Fredericton NB E3A 3B3 Name of Early Learning and Childcare Licensing Staff Tanya Gaudet Order for Compliance Order for Compliance 21 The daily activities of a licensed facility shall be purposely planned in advance and documented and shall include (a) time and space for and a free choice of play experiences for exploration and discovery. Comments: While observing the children playing in the indoor environment, licensing staff observed both groups of children playing. In one room the children were given ample choice of play activities. It was evident that the children are given multiple choices of play materials however, in the second room, the children were not given ample choice of play activities. It was evident that the children are given multiple choices of play materials and equipment that are varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility. Please ensure there is a sufficient and varied quantity of outdoor materials for the children to play with while playing outside. General Comments: Licensing staff arrived at the licensed facility to conduct the renewal inspection on August 20th, 2024. The children were engaging in outdoor play activities upon licensing staff arriving at the facility. An educator told licensing staff that their usual routine is to play outdoors from 9:45am to 11:20am. The children were playing on the stationary equipment, swings and tunnel. The educators were observed using positive child guidance using redirection, distraction and reasoning with the children in both the indoor and outdoor environments throughout the inspection. All files were organized and complete.	Name of operator	Licence Number			Inspection Date
