General Comments
<p>On the day of my visit the preschool program was functioning very well. The group were having snack, then they moved on to table top activities, then story and song and outside play where they are picked up at 12:00 noon. The outside play area is fenced and well set up for the preschool program particularly but it is appropriate for afterschool as well.</p> <p>All Covid protocols are being followed properly and I was screened upon entry.</p>
