Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

On the day of my visit the program was functioning well. I was screened upon entry. All groups were inside because of the heavy rain outside. Some of the groups walked this morning and opening was done outside in anticipation of today's bad weather. The gym has had soundproofing added to the ceiling which is approved by Fire. It helps some with the noise levels.

This week is Spy Week, and the week's activities have included, working through clues in a role playing game like the board game Clue, invisible ink and sending each other secret messages, decoding ciphered messages, spy training obstacle courses outside and inside etc.

The centre is not serving snack unless someone forgets but will resume this in the Fall. Next week is titled "Whiz, Pop, Bang" messy science activities for kids. At this point there are no field trips that require busing.
