Comments:			

General Comments
<p>Upon Licensing Staff arrival, the children were in three groups, the Star Wars Group, the Marvel Group and the Disney Group. Today was the first day of Spy Week for Summer Camp for all three groups. The three groups were observed rotating throughout the rooms for fair play time in the gym and activities.</p> <p>Upon arrival, the Disney Group children were playing with a few trucks, colouring material and fabric scarves. A collage of child artwork was on display and a bright banner was hanging from the ceiling. Later on in the afternoon, the children began to get ready to go outside for waterplay. Sunscreen was applied before going outdoors and water bottles were gathered. An Educator had a few children helping fill tiny water balloons which offered a break from transition. Once outside, the children lined up and listened to the instructions for the waterplay game. Hula hoops were set up in a circle and a game of "musical chairs" started. The children really enjoyed being lightly sprayed with the hose when they were called out.</p> <p>The Marvel Group were observed outdoors on the playground. The group of children were playing on the play structure and swings. Educators were observed informing the children to stay off the grass and to be safe when a lawn mower arrived to mow the baseball field area. Educators were welcoming to a child that arrived late in the afternoon. The children later came inside to wash their hands before snack.</p> <p>The Star Wars Group were playing in the gym area. The children were playing soccer, Gaga Ball, Lego, reading, and drawing. An Educator was observed playing soccer with a few children and an Educator gave a reminder for clean-up time to allow a smooth transition to go outdoors. When the children were playing outdoors, a child was stung by a bee. Educators remained very calm and offered the child an ice pack and the child resumed play.</p>

General Comments

Staff and child files were in order and all required documentation were present.
