General Comments
When licencing staff arrived children were finishing up snack, which consisted of bagels and cream cheese, and were getting ready for outdoor playtime. Sunscreen and bug spray was applied before the children went outside.
The afterschool children were engaged in activities on the lawn, such as bumper balls, playing in the treed area and a few children played basketball.
The preschool children played in the sandbox, on the slide, and drove the little tykes cars around. Water bottles were on the table and accessible to the children at all times.
Today's lunch was spaghetti with bread and milk.
Staff files were reviewed and updated as a couple new educators have been hired since the last visit.
Facility is clean and bright with many natural items throughout the rooms.
