General Comments
Children were having snack when licensing staff arrived. The morning snack was wheat crackers with hummus and tzatziki. Educators were engaged with the children, singing, building snowmen and pulling the infants around in sleds. Documentation of children's learning is evident in the center, however, please remember to reference the curriculum when documenting. It's recommended the educators and staff go through the books and remove the ripped and torn books. There are a variety of materials for the children to learn and explore with. Today's lunch was tomato soup, with choice of cheese, peanut butter or roast beef sandwiches. and milk to drink.
