<p>General Comments</p> <p>Each classroom in the center is set up very well, and there are a variety of age-appropriate materials for the children in each room. The center is clean and organized. I observed an abundance of positive child guidance during my visit in each classroom, such as positive reinforcement, redirection, and gentle reminders and the educators seemed to show genuine care and concern for the children. The center has received their new bus dedicated to their beloved bus driver, Kevin O'Dell, and it is called "Kevin's Cool Bus".</p>
