<p>General Comments</p> <p>This was my first visit to the Preschool Centre on Windsor St. I was greeted by Administrators and provided with a warm welcome, an introduction to staff and a tour of the centre.</p> <p>I observed children having snack which was yogurt and graham crackers. There are a number of children who have cultural food guidelines and allergies and these are posted in each room. Educators sat with their groups while having snack and were engaged with children and encouraged lots of conversation.</p> <p>The centre is decorated very nicely for Halloween and children are excited! Recently, some children created hanging ghosts with cheese cloth and modge podge and toddlers made their ghosts with puff paint. I saw a lot of recent art displayed in all of the rooms.</p> <p>Some of the different activities I observed today were children going on a walk, playing outdoors, circle time, and listening to a story.</p> <p>Educators were seen using positive child guidance and speak to the children in a kind and respectful manner. Educators and administrators work as a team and the morning routine runs very smoothly.</p> <p>All staff files were easily verified due to the administrator working hard to ensure the files are all accurate and up to date. Some child files were also checked. All is in order.</p>
