General Comments
<p>On the day of my visit the children were having snack, which was cheerios, milk and apples. The allergy list is posted and one child has an epi-pen which is readily accessible. I was properly screened upon entry and all Covid protocols are being followed.</p> <p>The Emergent Curriculum is being followed and they have made lovely scrapbooks for the children. Adding Learning stories that demonstrate the link between the children's play and the Curriculum would add to this learning.</p>
