<p>General Comments</p> <p>During my visit, I saw the educators engaged with the children, and demonstrated many positive child guidance techniques such as redirection, positive reinforcement, distraction, encouragement, gentle reminders, and helping children with problem solving.</p> <p>The center has a variety of age appropriate materials in each classroom. On the day of my visit, I observed the children doing activities such as drawing, making presents for their parents, and doing experiments with cause and effect. The children were very excited to show me what they were doing!</p> <p>The files were organized and contained all necessary information. Each classroom's routine seemed to run smoothly and transitions appeared to go smoothly.</p> <p>Please post the updated diaper changing procedures which I will email to you.</p>
