<p><b>General Comments</b></p> <p>The center is clean and organized and there are developmentally appropriate materials present in each room. The staff demonstrated many positive child guidance techniques during my visit and were attentive to the children's needs and interests. During my visit, the children spent most of their time outside in the spacious play area, as it was such a nice day.</p> <p>Please add the name of the Early Learning and Childcare Inspector to the postings; Mary Ramsay-Irving, 506-453-5363, mary.ramsay-irving@gnb.ca along with the Quality Assurance Monitor, Sue Dickieson.
