<p>General Comments</p> <p>This was my first visit to Fredericton Early Learning Centre. I was welcomed upon my arrival and introduced to the staff. All children and educators were enjoying the outdoors and many different activities and learning invitations were happening.</p> <p>Children were looking for various insects after the heavy rainfall last night, coloring under the gazebo, building with wood and engaging in gross motor play, and listening to music. The outdoor space is very inviting and peaceful. There is an abundance of shade from the trees and other natural elements.</p> <p>Children were observed washing their hands inside before having their snack outdoors at the picnic table.</p> <p>Educators were engaged with children throughout the visit. I observed a lot of singing, positive guidance, and encouraging words. Some children are new to the centre and educators had a nurturing and warm approach while helping them transition to being in childcare.</p> <p>Please keep all required files on site in order for licensing staff to verify that they are complete. Staff may not return until her completed file is on the premises.</p>
