<p>General Comments</p> <p>Educators interact with children in a gentle and kind manner. They engage with the children by talking to them and listening to their questions and stories. Only positive child guidance techniques were seen at time of visit.</p> <p>Administrator stated that there has been no illnesses in the facility. However, potential illness forms would be filed in children's files if they have to use them.</p> <p>There were incident reports evident from past years but none to report for current year. Administrator stated that there have been no minor incidents to date.</p> <p>Medications are not being administered in the headstart program at this time. Facility uses resources within the school to store medication and there is a designated person who administers the medication.</p>
