<p>General Comments</p> <p>Children were playing independently in their learning centres of choice. There are plenty of choices and materials to choose from. The environment is well organized for each age group being served.</p> <p>Children enjoyed outdoor time prior to leaving preschool. The outdoor play space has been inspected by the district.</p> <p>Educators engage with children continuously through conversation and taking interest in what they are saying and doing. They are loving, caring and very attentive to the children's needs.</p> <p>I was able to easily verify all documentation for licensing. Files are organized and complete.</p> <p>I can recommend facility for licensing.</p>
