Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

During my visit, the children spent time outside before going in for a snack. They were excited to show me the vegetables that they planted. The center is bright and has the children's colorful artwork displayed throughout. There are a variety of materials and activities for the children. The operator actively participated in activities with the children during my visit, and she demonstrated an abundance of positive guidance. Everything was in compliance during my visit.
