General Comments
<p>The center was very clean and organized. Farah made sure that children washed their hands upon entry.</p> <p>There are many learning invitations set up and the week is planned with a variety of activities. This week was feel and touch box, all about me quiz , craft show and tell, all about me chart and mystery box.</p> <p>Farah is very engaged with the children, playing games and asking for suggestions on what the children wanted to do. She is very accommodating to the children's needs and gives encouraging responses like "good idea". She works hard to give each child individual attention while they are at the center.</p>
