Order for Compliance	Regulation	Date to be corrected	Date corrected
33(3) An operator of a licensed facility shall complete a monthly review and maintenance plan on all stationary equipment that includes the following information: (a) the review and repair dates; (b) the action required and the action taken; and (c) the name of the staff member who conducted the review.	33(3)	May 10, 2019	
Comments: Please complete an outdoor monthly checklist. Please see comment below.			
41(1) A licensed facility at which services are provided to children who wear diapers shall have a sturdy surface that is (b) covered with a non-absorbent layer.	41(1)(b)	May 01, 2019	
Comments: A new diaper change matt is required. Tks.			

<p>General Comments</p> <p>During my visit, children's attendance and infant toddler records were reviewed. Staff are tracking this information daily.</p> <p>A fire drill was performed in March and another one is due before the end of April. Please plan one before the end of April. Thank you.</p> <p>Please complete an outdoor maintenance check in April and monthly thereafter. I observed that additional pea gravel is required around the climber and slide in the afterschool outdoor play area. Please address. The Operator also discussed the changes they are making to the outdoor play area based on the funding received from the department. Purchasing a percola for infant deck area. I look forward to returning to see all the changes.</p> <p>The operator stated that a PH order issued and the Operator must address this matter asap. Thank you!</p> <p>Staff info was provided during my visit. Also two staff completed 30 hour curriculum. All other staff on site have their ECE Certificate now. This centre has met the requirements to meeting staff training by July 2020.</p> <p>Incident reports are being recorded and parents are signing them so they are aware. Operator will place dividers to separate children's names and will keep children's names in alphabetical order and plans to keep this</p>

General Comments

information in a binder so that it easily accessible.
