Comments: the change mat will need to be resurfaced or replaced as there are rips.			
47(1) An operator of a licensed facility shall refuse admission to a child if satisfactory proof of the immunizations required by the Public Health Act or the regulations under that Act is not provided.	47(1)	Feb 28, 2020	
Comments:			

<p>General Comments</p> <p>This ELC center appears clean and has a variety of age-appropriate materials and activities for each age group. The educators demonstrated positive child guidance techniques such as gentle reminders, and encouragement and seemed to be able to anticipate the needs of each child. Transitions seemed to go smoothly and the children appeared to know the routine well.</p>
--

General Comments

Although toxic products are locked, the locks in place now will need to be replaced with lock and key.
