Comments: Licensing staff arrived at the licensed facility on the morning of July 11th, 2022 to see if the gate leading from the preschool playground into the school-aged play space has been secured as per direction from my last follow-up inspection visit on June 10th, 2022. Licensing staff noted that the gate has not been secured. Please ensure the gate leading from the preschool play space to the school-aged play space is secured and the children are unable to push open in order to maintain the safety of the children.
