Name of Early Learning and Childcare Licensing Staff Jenelle Hanscom		Position Title Quality Assurance Monitor	
Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

Regular monitoring inspection was performed on this date. Children were finishing morning snack upon arrival. Children were observed washing their hands once they had finished eating.

Children then gathered for circle time where they had a group discussion. The educator was engaging and asked the children questions and had pleasant conversation with the children.

Staff and children files were reviewed and were well organized and contained all required information.

Positive behaviour guidance was observed at all times throughout the monitoring inspection.
