General Comments

Regular monitoring inspection was performed on this date. Infant room was observed, all infants present were content and engaged with play materials in the room.
Lunches were stored separately in the room in the fridge. Nap room was clean and well organized with labeled cribs, nap checks are being completed. Infant information sheets are also being completed, and all children were signed into the attendance.
The diaper changing procedures were posted and all diapers items were organized and labeled appropriately. Ratio was maintained in all classrooms. Positive behaviour guidance was observed throughout the inspection.
