General Comments
<p>The children were having some free play time after lunch. They were observed relaxing on the couch, playing a "password" game, drawing at the table, playing in the dramatic play area with the dollhouse and kitchen and building with lego.</p> <p>According to the educator " this group of children is really into drawing and making things"</p> <p>The rooms are set up with various learning centers and there are sufficient materials for the children to play with.</p> <p>There seems to be a mutual respect between the educators and children.</p> <p>The facility appeared to be running smoothly during the visit.</p>
