General Comments
<p>There was evidence of the NB curriculum Framework throughout the facility. Licensing staff observed learning stories, webbing and children's work. Educators were observed interacting with the children at their level through conversations.</p> <p>The appropriate amount of space between naps is being followed for rest time. Educators provide environments that are peaceful.</p> <p>There is a baby swing in the infant space that licensing staff have questioned due to surfacing requirements and having other objects in the encroachment zone.. Licensing staff took pictures of the set up and will consult with her manager to see what steps should be taken. Operator is willing to comply with any decision that is made.</p> <p>Licensing staff advised baby room staff to ensure that underneath the change pads on changing table are cleaned thoroughly each time that they change a child as licensing staff observed rocks and other debris underneath the pad.</p> <p>Filing system is meticulous and all documents were easily verified by licensing staff.</p> <p>Licensing staff can recommend facility for licensing pending a current health inspection.</p>
