| <p>General Comments</p> <p>Regular monitoring inspection performed on this date to observe in new facility. Children were observed in the outdoor play area. Children had a variety of materials available that allowed for both gross and fine motor skill development. All children were engaged while in the outdoor play area.</p> <p>Children's files were well organized, all consents were signed, and children's profiles were completed. All required documentation was posted at the front entrance in a prominent place.</p> <p>Children's belongings were labeled and each child was given a cubby with their name to place their items either within the classroom or directly outside their classroom door.</p> <p>Positive behaviour guidance was observed at all times.</p> |
