<p>General Comments</p> <p>The children were in the process of coming inside to get ready for lunch. Today's lunch was spaghetti and garlic bread. During lunch the educators were observed sitting with the children and talking to them while they ate.</p> <p>As the children were getting ready for naptime they were observed sitting on their cots with books, drawing on small white boards and playing with a variety of small/quiet toys. Some of the educators read stories to the children before they went to sleep.</p> <p>After naptime the children helped to put away the cots and blankets. The afternoon snack was applesauce bread and milk.</p> <p>The facility promotes independence by the children helping pour the milk at mealtimes to helping set of the cots up and putting blankets out for nap and putting the cots and blankets away after nap time.</p> <p>It is evident that a well-established routine for meals, snacks and naptime has been implemented throughout the facility.</p> <p>The staff files are organized and contain all the required documents.</p> <p>Positive child guidance and redirection was observed during the visit.</p>
