10(1) The number of educators that are required for a group of children of mixed ages receiving services at a full-time or part-time early learning and childcare centre is calculated as follows: (a) by multiplying the number of children of the same age by the corresponding factor set out in Schedule A; and (b) by adding the results obtained under paragraph (a).	10(1)	Oct 23, 2026	Oct 23, 2026
Comments:			
32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (a) varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	32(1)(a)	Oct 23, 2026	Oct 23, 2026
Comments: Deficiency is now compliant			
33(1) An operator of a licensed facility shall provide outdoor play area materials and equipment that are varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	33(1)	Oct 23, 2026	
Comments: Licensing staff noted that additional play resources had been added to the preschool outdoor learning environment, providing children with increased opportunities for engagement and play. However, the infant outdoor learning environment had not been enhanced with additional play resources and continued to offer limited materials for infants to explore and interact with during outdoor play.			

General Comments
Licensing staff arrived at the licensed facility to conduct a Follow-Up License Renewal Inspection. Licensing staff noted that additional play materials had been added to the indoor play environments since the previous inspection. Licensing staff also observed that additional play resources had not been added to the infant outdoor play environment. The management team advised that further materials have been ordered and will notify licensing staff once they have arrived at the facility. During the inspection, licensing staff observed a child inside the facility putting on dry outdoor clothing after their

General Comments

outdoor clothing became wet while playing outside. As the child had entered the building alone, the child was unsupervised at that time. When licensing staff discovered the child alone in the classroom, licensing staff remained with the child while they changed into dry clothing and then accompanied the child back outside to rejoin their educator and classmates. Licensing staff discussed the importance of maintaining adequate supervision of children at all times with the management team.
