General Comments

- Visit done in the afternoon for a monitoring inspection.
- Ratio was respected during the visit.
- The license, daily routine, evacuation procedures are posted in a visible and prominent place in the facility.
- The facility used positive child guidance during the visit.
- Child records are complete. I recommend that all child files be revised. Some files were missing the complete address of the two emergency contacts.
- Administrative records are maintained on-site.
- Incident reports are complete with the date, time, brief description and the parent's signature.
- Observations: nap time. The educators were reading stories and doing puzzles with the children who did not nap.
- Discussions with the educator concerning the exterior parc.
