

## Early Learning and Childcare Facility Inspection Report

Type of Inspection:  
Monitoring Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

| Order for Compliance  | Regulation               | Date to be corrected                        | Date corrected |

### General Comments

- Visit done in the afternoon for a monitoring inspection.
- Ratio was maintained during the visit.
- During the visit the facility used positive child guidance.
- The parent board contains all necessary information.
- Administration of medication record is maintained. Parents provide written permission to give acetaminophen.
- All medication is locked and stored out of reach of the children.
- The diaper changing area is in accordance with the regulation requirements.
- Observation. Upon my arrival the children were having lunch. Naptime routine was witnessed. An educator read a story to the children.
- Discussion with administrator concerning the board of directors, employee files, professional development hours and the parent committee.
