Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

I presented myself at the facility in the morning to complete a monitoring inspection. The front desk personnel of the aquatic centre advised me that the daycare was closed for the day due to a heating issue. I contacted the daycare director by telephone. She advised me that the facility was closed today and that there was a maintenance crew onsite to fix the problem. The incident report was completed and sent to the mentor by email.
