Comments:			

<p><b>General Comments</b></p> <p>Ratio is in compliance during the visit. One staff is currently doing her curriculum framework and another one is going to start in January, they were asked to send me their certificate before the end of February 2020. The indoor environment is well organised they're is a good variety of toys and games and they are at the children's level. The staff files have all of the required documentations. During the visit I have seen educator who are very keen to learn about the children interest, the orientation of the children is done in a respectful and positive way.</p>
