<p>General Comments</p> <ul style="list-style-type: none"> - Visit to facility for a monitoring inspection. - Ratio was respect during the visit. - Medications are locked and inaccessible to children, administration of medications records are evident. - Daily incident log is maintained, parents are advised of the incident and signs the daily log. - In all room, educators were engaged with children during activities. - Learning stories posted highlights children's recent learning and interests. - Children's guidance is done in a respectful and positive way. <p>Observations:</p> <p>Two year old room: Children were having lunch during the visit, I could see that they are into transportation and talking about emotions. Literacy is present into the class room.</p> <p>Three year old room: Children were drawing during the visit, some did explain to me their vision into their picture. Literacy and numeracy is all around in the classroom, webbing on the wall was showing me what the kids are into.</p> <p>Four year old room: Children were having lunch during the visit. They showed me their project on their family, and the books they made. Documentations showed me all the activities that was done during March brake.</p>
