<p>General Comments</p> <p>Visit to the facility to complete annual inspection.</p> <p>Discussion with administrators regarding new play structure in the outdoor play area. It was recommended that they verify with their insurance company to ensure they are covered in case of an incident.</p> <p>Observations: Children were having lunch when I arrived. After lunch, the 2- and 3-year old's had a nap while the 4 year old's and the school-aged kids played with tabletop games and puzzles. Various types of documentation are present in each room that display the children's interests and what they are learning.</p>
