General Comments

- Mid-day visit to the establishment for an unexpected monitoring inspection
- During the visit ratio was respected in a mixed age group and a same age group
- Review and discussion of the incident report form. It was discussed with the director the list of incidents that are considered reportable
- Daily incident log is maintained, and signed by the parent
- Incident reports are maintained in the child's file
- During the visit, it was observed that all educators are engaged with children at their level providing support and having conversations.
- Allergy information on any child is posted in the food preparation area
- Drinking water is provided throughout the day
- Food brought from home is labeled with the child's name and refrigerated or has an ice pack as required
- In the outdoor play area children have more than one type of surfacing to play and explore, the material offered is varied and in sufficient quantity for children present
- Outdoor play area is maintained safe
- The outdoor play area has the amount of shade needed for each child based on the maximum number of children that can be accommodated in the outdoor play area

Observations: When arriving at the center all children were just coming in from playing outside, they were all getting ready to eat their lunch. The youngest children got ready for a nap while the older children were transitioning into free play.
