General Comments
<p>Visit to facility to complete annual inspection during COVID-19 period. Ratio was respected during visit.</p> <p>Reviewed COVID-19 guidelines and procedures with operator and administrator. Discussed group bubbles/logs, cleaning schedules and drop off / pick ups. Recommended that the operator contact public health to discuss their drop off procedure in order to ensure that their arrangement is approved.</p> <p>Child profiles: Ensure that all addresses are complete for those who have permission to pick up children. Also ensure that all emergency contacts have complete addresses.</p> <p>New diaper changing procedures were added while I was present.</p> <p>This facility is a nut free environment and this is indicated in the parent handbook. This also must be added on the parent board due to allergies.</p> <p>Recommended that the sand under the "look-out" structure be raked.</p> <p>Observations: Infant's/toddlers were outside playing upon arrival then had lunch and a nap.</p>

General Comments

4 year old classroom were discussing Halloween and drawing pictures that reflected their discussions. School age children were having lunch and playing number guessing game with the educator.
