General Comments
<p>Follow-up inspection for the renewal of the license</p> <p>Ratio was respected during the visit.</p> <p>Infant's bottles are now labelled with the child's name and are stored with a cover in the refrigerator.</p> <p>It was confirmed over the phone that all employees have the required documents into their file, a follow-up will be done during the next monitoring.</p> <p>Non prescribed medication is now labelled with the child's name and dosage, a supporting photo was sent to the quality insurance monitor.</p> <p>Observations: Children were waking up from their nap, they ate their snack and got ready to go outside.</p>

General Comments

Facility is awaiting their fire inspection, once this is completed the facility will meet requirements under the Act and regulations and will be recommended for licensing.
