Order for Compliance	Regulation	Date to be corrected	Date corrected
28(3) The premises of a licensed facility shall comply with (a) lighting, ventilation and other general health standards under the Public Health Act.	28(3)(a)	Oct 19, 2020	
Comments: Please see comments below regarding the Covid-19 guidelines			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Oct 19, 2020	
Comments: A safety device that is not approved by the Department is being used under the sink to keep toxic products inaccessible to children. Please ensure that these product are under lock and key,			

General Comments
<p>Files are kept in an organized fashion. All files were easily accessible for licensing staff to review.</p> <p>Many activities were made available to the children. Staff interact with the children at their level and continuously give them encouragement and support. Gentle reminders are given for unwanted behaviours. Educators engage and take an active interest in what the children are doing.</p> <p>Please implement the following with reference to the Covid-19 Guidelines:</p> <ul style="list-style-type: none"> *Please use the paper copy of the screening questionnaire for Covid-19 and have any essential person who enters the Headstart program to sign and date it prior to entry. Temperatures can be recorded on this sheet as well for this person. *Staff must have temperature taken upon entry into facility and it must be recorded. *Please obtain up to date records of household members of each child attending the facility *Currently there are only 15 children who attend this program. At this time, temperatures do not need to be taken by educators as children only attend half days. Logs are being recorded on attendance records where groups do not change.

General Comments

*Thermometer, gloves and masks were left for the facility at time of visit. In the event that temperature are required to be taken of children in the future, please be advised that an ear or under arm thermometer must be used on children who are under the age of 12.
